

NPIU

Aarambh 2K18

(Technical Fest & Alumni Meet)

On such an aspiring occasion of Engineer's day, the students of REC continued the tradition of converting REC into a hub of opportunity, learning but mostly fun. We hosted the 2nd consecutive annual fest of REC popularly known as Aarambh and alumni meet on 15th of sept where all the great alumni of REC have a word of wisdom with faculty and others.

Aarambh was a 4 day long tech-cult fest starting from 12th of sept with each day having a plethora of events to look forward.

12th sept:-

Freshmen Orientation:-

This event marks the beginning of Aarambh. Organised under NPIU sponsored by Teqip-3, this was an introductory seminar for freshmen to get to know about resources, ecosystem, history and clubs of REC with entrepreneurship as its main theme. This event was organised by the Catalyst E-cell team of REC under the keen observation and guidance of Principal B.K. Agarwal sir and Dr. Sandeep Pandey sir. This event was divided in two slots, first slot was for CS and EC scheduled from 11:30 – 1:30 and other was for ME, CE and EE from 2:00 – 4:00.

Dr. Anoop sir, Asst. Prof. Dhruv sir and many more Teqip faculty from mech. Department mark their presence on first slot and gave a formal introduction of entrepreneurship. Asst. Prof. Anoop Tiwari from Civil Department was the speaker of this seminar and gave a wonderful insight of Entrepreneurship to freshmen. Team E-cell then continued the seminar by sharing their basic ideas and experience, achievement of Catalyst RE-Cell and told them the stories of successful entrepreneur like Mr. Pranit Singh, Mr. Manish Shrivastava, Mr. Abhijeet Nath and many more that our college has produced. Views from freshmen were also appreciated and this event ended with lighter note of fun when Team e-cell played some fun games with freshmen to increase the bonding.

Venue- New Hall

Coordinator – Tanishque Singh and Akash Bahetra

Faculty Coordinator – Asst. Prof. Devesh Kumar Mishra

13 Sept :-

1) Career Guidance

Career Guidance seminar was the key event of 2nd day of Aarambh. Organised under the NPIU sponsored by Teqip-3, this seminar was organised to let students know about the various opportunity in both tech and non-tech field. This event was carried on under the observation of Principal B.K. Agrawal and distinguishes faculties like Asst. Prof Praveen Nagesh sir, Asst. Prof. Bhagvati sir, Prof. G.R. Mandloi sir and many more mark their valuable presence. Chief Guest and Prime speaker of this seminar was Principal of Sainik School Rewa Mr. DK Mishra and Asst. Prof. Anoop Tiwari sir was also here to guide students.

Students were very much excited about this seminar and a huge amount of students mark their presence in this seminar to seek the wisdom of our honourable speakers mostly from 2nd and 3rd year. Asst. Prof. Anoop Tiwari begins the seminar through a PowerPoint presentation. Through this presentation he gave from insight on where you can make a career once your B.E. is over and what you can do once you clear the Gate. He gave from really important info regarding tech field and cleared all the doubts of students.

Mr. D K Mishra sir then continued the seminar by giving a way toward non- teach field. He talked about all the administrative and defence sector where you can try your luck once you complete your B.E. He also shares some inspirational stories about how students like everyone have done great things through their shear hard work.

The duo of Ankita and Anamika hosted this seminar and this event ended on high note with students having a lot of knowledge to brainstorm, student coordinator Ravi Mishra concluded the seminar with vote of thanks to both the speaker for their valuable wisdom. A memento was gifted to Chief Guest Mr. DK Mishra as a thank you from REC.

Venue – New Hall

Coordinator – Harsh Verma and Ashutosh Singh

Time- 12:30 – 3:00

Faculty Coordinator – Asst. Prof. Anoop Tiwari

2) Workshop (Arduino)

A special workshop was organised by the Technical Club of REC for EE and EC branch. This workshop was basically an introductory session of Arduino and how to use it. It is programming software for circuit design. More than 30 students were available for this workshop and learned a lot about Arduino from student coordinator Subash Kesharwani.

Venue-

Coordinator – Subash Kesharwani

Time – 10:30-4:00

3) Model Making (Civil)

A competitive event was also hosted by Tech Club of REC for civil branch on 13th of sept. It was a bridge design competition for civil branch where they have to make a model of bridge. More than 10 teams were registered for this competition having 3 members in each team. It was a great event where students get to show their creativity and put all thinking in one task.

Winners – 1st – Amit Dhaker and Team
2nd – Rajat Mishra and Team

Venue- F-15

Coordinator – Ayush Nigam and Sulabh Pandey

Time- 3:00-4:00

Faculty Coordinator- Asst. Prof. Amit Shukla and Asst. Prof. Vinay Kumar Sharma

14th Sept:-

1) Quiz:-

The most talked event of 14 sept was the quiz competition organised by Tech. Club of REC. There were two different quiz competitions, one was for first year and second was for 2nd, 3rd and 4th year. A screening round was held earlier to chip away the participants and a total of 4 participants were selected in one team from each branch. 3 members were present in one team in 1st year. These two events were carried on at a same time but different venue, 1st year was seated in G-49 while rest were seated in F-49. There were various levels in this quiz and questions vary from vocabulary, general knowledge, marvel and dc etc.

Winners - For 1st year

For 2nd, 3rd and 4th year

1st – Prakash and team (CSE)

2nd – Sushmita and team (EE)

3rd – Shreyas and team (EC)

Aman Dhaker and team (EC)

Shrawan and team (EE)

Anurag Tiwari and team (CE)

Venue- G-49 and F-49

Coordinator – Ayush Nigam and Sulabh Pandey

Timing – 10:30 – 12:00

Faculty Coordinator – Asst. Prof. Vikash Sharma

2) Debate:-

This competition was the hub of all the great speakers that REC has. A debate competition was held under the current burning topic “One Nation One Election”. A total of 8 participants were selected for this competition, 4 for the motion and 4 against the motion. We get to see some heated battle between the participants but at the end for the motion team emerges victorious.

Winners - 1st – Kumar Anand

2nd – Ambuja Pandey

3rd - Sonali Shukla

Venue - New Hall

Coordinator – Sonali Sahu and Akshat Pandey

Time – 11:00 – 12:30

Faculty coordinator – Dr. A. Abidi

3) Open Mic –

This event had only motto i.e. perform and entertain. Massive registrations were made for Open Mic but it narrowed down to 10 participants who had only job that was entertain and they did that brilliantly. No event was as fun as this one and no event has such audience as this one who enjoyed the event a lot.

Winners - 1st – Shivendra Mani Dubey

2nd – Mohit Singh Parmar

3rd – Ashutosh Tripathi

Venue – New Hall

Coordinator – Piyush Kumar and Aishwarya Singh

Time – 12:30 – 2:00

Faculty coordinator – Asst. Prof. Sameeksha Chouhan, Asst. Prof. Anoop Kumar Tiwari ,
Asst. Prof. Durgesh Chodhary

4) Tri-o-Threat –

This was the most mysterious event because participants had no idea what they are up for and most probably it is what made this competition most unique. Turns out it is the 3 stage team game. There were more than 20 teams in 1st round, 3 members in one team of which only 8 qualified for 2nd round. First round was testing the Vocabulary while second round had riddles. Again after the second round, 4 teams were eliminated and then comes the final round which ended on a tie. The finally tie breaker gave us the ultimate winner of this Tri-o-Threat.

Winner - Swati Mishra and Team

Venue- New Hall

Coordinator – Ashish Dwivedi and Prachi Pandey

Time – 2:30 – 4:00

Faculty coordinator – Dr. Alkadevi Verma

5) Fun Games and Treasure Hunt –

There cannot be an event/ fest without the jewel of fun games to lighten up the moments and get everyone to chill. These fun games included Musical chairs, bucket and ball, spoon race etc. and were hosted by Tech club so that participants can share memories and joy.

Whole REC had gone crazy when they get to know that treasure hunt is back but after many levels only 15 team qualified for final round with 6 members in each team. These teams measure every inch of REC building to find the clue and win the whole tournament.

Venue – F-15, F-16 and college building

Coordinator – Anchal Gupta, Ayush Nigam, Layak Yadav and Ashutosh Mishra

Time- 12:00 – 5:30

Faculty Coordinator – Asst. Prof. Sonu Navgotri and Dr. Jhasketan Sahu

6) Art and Craft –

When you see it, you know it and when you know it then only you understand art. Participants created a replica of their imagination and it was nothing less than awesome. All the participants were awesome and art was even better.

Venue – Library

Coordinator – Aman Singh and Mohit Parmar

Time – 12:30-2:00

Faculty coordinator – Asst. Prof. Yashwant Goswami

7) Model Making –

Another model making competition was held on 14th of sept for EC and EE branch. This was in continuation from last day and had a total entry of 5 teams for circuit design.

Winner – Rishi Tiwari and team

Venue – F-8

Coordinator – Ashutosh Tripathi and Layak Yadav

Time – 2:30 – 4

Faculty Coordinator – Asst. Prof. Amit Shukla and Asst. Prof. Durgesh Choudhary

15th sept

Alumni meet marks the beginning of the final day of Aarambh. Plenty of our honourable alumni grace us with their presence like Er. Rajendra Sharma, Er. Rajneesh Gupta, Er. SBS Parihar many more. Distinguish faculties of different branch joined our alumni along with our Principal B.K. Agarwal in New Hall. Alumni had a great with each other and also our faculty get to interact with our alumni.

Later on Panel discussion takes place on the topic “Job vs Higher Studies vs Entrepreneurship”. Our host asked few question on behalf of college and also few student raised their doubts. Our experienced alumni answered the question with ease and gave some beautiful insight on the Entrepreneurship. They shared their experience, stories and ethics that lead them to success. Later on, Er. Rajendra Sharma and Er. Rajneesh Gupta awarded and for their brilliant academic performance.

After the respected speech of Principal Sir and chief guest, a plethora of cult events started. There were numerous songs, dances both in solo and group and numerous dramas with important message to learn. These performances were excellent and dramas were well knitted to deliver a powerful message.

At the end, award distribution takes place in which all the winners of 14th sept were awarded for their excellent performance. Aarambh was concluded with the thank you speech of student coordinator Ravi Mishra.

Faculty Coordinator: 1. Asst. Prof. Anoop Kumar Tiwari
2. Asst. Prof. Durgesh Chodhary
3. Asst. Prof. Vinay Sharma
